EXPERIENCE

Project Manager

KICKSTART VISION TO REALITY PRIVATE LIMITED

01/2023 - Present Moradabad(UP)

Project Planning and Execution:

- Working as a project manager, I lead a dynamic cross-functional team to successfully execute projects for our company.
- Responsible for strategic planning, I meticulously develop project plans, aligning goals with organizational objectives. Adept at resource management, I ensure the team has the necessary tools and support, while actively managing budgets and mitigating risks.
- My role involves transparent communication with stakeholders, fostering client relationships, and overseeing quality assurance processes.

Area Sales Manager

KICKSTART VISION TO REALITY PRIVATE LIMITED 03/2022 - 01/2023 MBD

Team Leadership

- Worked as an area sales manager with a track record of success in developing and implementing effective sales strategies to meet and exceed revenue targets.
- Adept at building and nurturing client relationships, driving market expansion, and leading high-performing sales teams.Reduced page load time on 10 client websites by 30% through a number of optimization techniques. Became the company expert on load time, web vitals.

EDUCATION / COURSES

Masters in Computer Application

IFTM University

07/2023 Moradabad

- Completing advanced courses in database systems, artificial intelligence, computer networks, operating systems. Built a solid foundation in programming such as Java, C++, and Python.
- Applied theoretical concepts to practical projects including developing web applications and designing efficient algorithms.

Bachelor of Science

Mahatma Jyotiba Phule

06/2017 - 05/2020 Bareilly

- Acquired a comprehensive understanding of advanced mathematical principles, physical theories, and chemical concepts.
- Successfully completed coursework in Calculus, Quantum Mechanics, Organic Chemistry, Differential Equations, Thermodynamics, and Linear Algebra.

PROJECTS / OPEN-SOURCE WORK

Startup Company Prototype Website Development:

- Description:** Collaborated with the design team to bring to life the Prototype website for Kickstart Company. Translated design concepts into a fully functional website.
- Role:** Full Stack Developer
- Duration:** 15-20 days
- Key Achievements:** Implemented responsive web design using HTML and CSS to ensure an optimal viewing experience across various devices. Utilized JavaScript to enhance interactivity and user engagement on the website. Collaborated closely with the design team to ensure seamless integration of visual elements and branding. Regularly update and maintain the Prototype website, incorporating new features and content to reflect the growth and evolution of the startup.

Website Cloning - Carbmanager.com

- Description:** Successfully replicated the Carbmanager.com website using HTML, CSS, and JavaScript.
- Role:** Frontend Developer
- Duration:** 1 Week
- Key Achievements:** Implemented the front end with HTML and CSS, ensuring a visually accurate representation of the original site. Utilized JavaScript to add interactive elements and functionalities similar to Carbmanager.com
